Work experience

Product Designer

Bluestacks/now.gg | 2021 to Present

Led AI-centric experimentation on our App Player and Cloud Player, including machine-learning-driven ad placements and discovery enhancements to increase revenue, improve app discoverability, and optimize user journeys—bridging B2B monetization needs with high-quality B2C experiences.

Collaborated closely with diverse teams to ensure seamless implementation and quality execution. Established and maintained multiple Design Systems across all projects within BlueStacks and Now.gg, leveraging design tokens to generate diverse themes and scale them effectively.

CONTRACT UI/UX DESIGNER

Amway India | 2020 to 2021

Solved Complex user flows and did UX enhancements for Amway India mobile app and website.

Also worked on Redesigns of both adhering to Amway global guidelines and also created a design system for consistency.

UI/UX DESIGNER

Ikoka Digital Technologies | 2020 to 2021

Delivered UX designs and solutions tailored to client requirements, advocating for user-centric design principles and decisions.

UI/UX DESIGNER

Alpha Agency | 2019 to 2020

Involved in redesign projects for a wide array of B2B and B2C websites and portals, spanning from SaaS products to interactive portfolio websites.
